

Greensboro Fire Safety Camp 2013

Greensboro Fire Department is hosting its first annual Fire Safety Camp. The goal of Fire Camp is to teach children to recognize, reduce, and escape hazards using interactive animations, hands-on activities, crafts, games and more. We want to teach kids how to react to fire, what not to play with, and how to get out of a house that is on fire. Our purpose is not to build firefighters, but to build fire smart kids! We want to give children the tools they need in order to keep them safe.

Date: July 29th-August 2nd, 2013 9AM-Noon

Location: Police & Fire Training Center, 1510 North Church Street, Greensboro, Room 207

Fire Safety Camp is open to Greensboro children, Ages 7-10 (as of July 29, 2013)

Cost: \$50 per child Includes: Camp shirt, backpack, workbook, pencil, water bottle & ID tag

There is **limited space available!** Camp is open to 50 children. It is strongly recommended that those interested return their application as soon as possible.
